The D2N2 Employability Framework

The D2N2 Employability Framework is a shared language for young people and employers, and reflects the common concerns of key stakeholders on behalf of young people across the area.

The Framework has been developed to work within existing policy and should complement and integrate current activity.

It is not intended to generate another layer of bureaucracy nor should its application duplicate what is already in place.

Goals	Enablers	Actions	Impacts
<p>As partners we will work to ensure that all our young people have opportunities to:</p> <ol style="list-style-type: none"> Invest in themselves, recognise their own strengths and values and take responsibility for developing their work readiness, skills and behaviours. Self-motivated. Have the tools and skills required to present themselves to a future employer. Self-assured. Have high aspirations for themselves. Aspirational. Understand the opportunities available to them locally and beyond, and make realistic choices. Informed. Have experiences of work that are rewarding and fulfilling. Experienced. Achieve qualifications valued by employers. Achieving. Understand that employers want people who will work hard and are accountable for their actions. Accountable. Understand that employers want young people who can listen and learn from their successes and their mistakes and keep going. Resilient.
